### Discussion and Action

The COG Board meetings have historically taken place quarterly on the third Tuesday of the month (March, June, September and December). A brief survey was created with 17 individuals responding. Noon and 3:30 p.m. are the most popular times with noon being preferred by a slight margin.

### **Audit**

The MWVCOG has been using the audit firm Grove Mueller and Swank for the performance of the annual financial audits for COG, VDI and the Mid-Willamette Valley Homeless Alliance. Our current contract expired upon the completion of the FY 22-2023 audit processes.

In preparation for this contract ending, staff issued a Request for Proposals (RFP) to solicit proposals from prospective audit firms. This proposal was advertised on the COG website, Oregon Buys and directly to all audit firms holding municipal licenses in the State of Oregon by email.

The RFP described our auditing needs and set out the criteria for measuring responses. Two audit firms responded to the RFP, Grove Mueller and Swank and Singer Lewark. Both firms have local auditors and offices in Salem.

Following receipt of the proposals, a committee was formed to rank the responses. The committee was comprised of Lesa Goff - representing VDI; Elaine Lozier - representing the Homeless Alliance; Rochelle Rodan, City of Dayton- representing COG members, Matt Apken, Merina and Company – CPA advisor to COG, and Amber Mathiesen, Finance Director at COG.

These committee members used the ranking criteria provided in the RFP to score and rank the responsive firms. See the attached ranking sheet for scores and ranking. The prevailing firm based on scoring is Grove Mueller and Swank.

As soon as their selection and approval are received, we will notify all who have responded to this request for proposals.

The Audit Selection Committee will evaluate each proposal and, if necessary, conduct an interview, to determine which firm has submitted the proposal most advantageous to the COG. The determination will be made after considering all elements in the written proposal including the fees to be charged.

### **Supplements to Proposal**

If the evaluation of any proposal indicates minor noncompliance with or variance from the RFP, the COG may, *but is not required to*, make a written request to the proposer of the non-complying proposal for a supplement to the proposal. The request will attempt to identify the noncompliance and may request additional information and will establish a date by which a supplement to the proposal must be submitted. The proposer may submit a supplement to the proposal responding to the COG's request for additional information. The COG shall receive and evaluate the supplement in conjunction with the proposal. Any supplement to the proposal submitted under this paragraph shall be deemed an integral part of the proposal.
