

Mid-Willamette Valley Council of Governments provides a variety of services to its members. Our major programs are listed on separate pages in the programs section of the website. In addition to our major program areas, MWVCOG offers a variety of services to serve the needs of our elected officials and executive staff. The most common services are listed below. However, if you have a consulting or facilitation need that is not listed, please contact us. We are willing to provide services in any area where we have the skill and expertise to meet your needs.

Services Offered:

- CEO and Department Head Recruiting Services
- Elected Official Training
- Goal Setting
- Facilitation Services
- CEO Evaluation Coordination
- Charter Review and Update Assistance
- Other Services as Requested
